## PROFILE

My name is Nody Risky Pratomo, you can call me Nody. I'm a fresh graduate from Institut Teknologi Sepuluh Nopember in Information System department. I see myself as a hardworking, fast-learner, and detail person. For my work style, I always have to know the work that I'm doing as a whole and like to divide it into small parts. I also a person who focus doing on one thing and urge to finish my work as soon as possible. I'd like to join your company because your field is related to my interest and I can develop my skills as my works go. Hopefully, my skills can suit the requirement of the company. If I can provide you with any further information on my background and qualifications, please let me know. I look forward to hearing from you.
